

Equipment qualification			
Logbook for qualification of balance and weighing systems			
General details of equipment			
Device Type:	Single-range balance <input checked="" type="checkbox"/>	Multi-range balance <input type="checkbox"/>	Multi-interval balance <input type="checkbox"/>
Verified Weighing Device:	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Weighting range (Max):	Range 1 320 g	Range 2 N/A	Range 3 N/A
Scale interval (d):	0.001 g	N/A	N/A
Verification value (d):	0.001 g	N/A	N/A
Min:	0.01 g	N/A	N/A
Connected accessories:	Printer YKG-01		
Operating instructions managed by:	Process owner		
Date of installation:	28-08-2023		
Date of putting out of service:	N/A		
Service contract number:	N/A		
Service case telephone number:	N/A		
Equipment qualification executed by:	<div style="border: 1px solid black; padding: 2px;"> <small>qualification officer</small> </div>		
Time			
Name of qualification officer:	<div style="border: 1px solid black; padding: 2px;"> <small>(signature)</small> </div>		
Equipment qualification reviewed by:	<div style="border: 1px solid black; padding: 2px;"> <small>EQS</small> </div>		
John Doe	<div style="border: 1px solid black; padding: 2px;"> <small>(signature)</small> </div>		
Name of measuring and test equipment officer:			

Datum van opstelling: 23.06.2026
